We have been so encouraged over the past month by all the prayers and support that we have received. It has been a joy to share the goodness of God through our ministry with Mercy Medical Center. Currently, we have been blessed with 52 different churches, families and individuals who have partnered with us monthly through their monthly pledges; that is 10 new partnerships. There have also been a total of 55 one-time donations. We are so thankful for the support that has come in, leaving only \$7,743.54 remaining in this one-time need, which is to cover the cost of a vehicle back in Cambodia.

## Rebekah and the girls...

Rebekah has just past the 7th week mark. It has been a joy to see her grow healthy and strong over the past month. She started smiling over the past few days and is doing well at sleeping as well. Miriam has around 7 days of class left at Cornerstone Christian Academy in Napanee. It has been an exciting term for her and her reading of the English language has come along nicely. Thanks for all your prayers. Rachel has done well at home with Mom, learning her ABC's in Khmer and many English words, thanks to a Leap Frog learning toy. We are so thankful that all girls are doing well. Miriam has expressed that she is missing home (Cambodia) but is thankful to spend time with grandparents here as well. Please continue to pray for the girls.

## Times of sharing...

Over the past month we have been blessed to travel around to different churches and groups to share about MMC. Our first stop was at The Met Bible Church Mission Conference. In 6 days we shared 10 times. We are so thankful though for the families that hosted us while staying in Ottawa. We also shared at Roblin Wesleyan, Westdale Park Free Methodist, Lanark Baptist and will be ending the month at our Home Sending Church, Parkdale Baptist in Belleville. It was a wonderful time of giving God the glory. *During the next month we have a few more speaking times, starting with the Young Married group at Parkdale Baptist on Dec. 4, followed on Dec. 5 at Almonte Reformed Presbyterian Church. Then Dec. 11 we are at Calvary Fellowship in Ottawa, and Dec. 12 at Calvary Baptist in Ottawa, with our last time of worship with the Met Bible Church at 6 pm. We still have Dec. 19 open at this point, preferably around the Quinte area. Also, from now until Dec. 15, we will be in Ottawa on Tuesdays for Bridges at Bronson Center and Wednesdays for W2W at the Metropolitan Bible Church.*

partner with us to provide the funds for Kimseng to continue with his Dialysis treatment, that would be an answer to prayer. We need to make a decision by the end of December before returning to Cambodia, so that we can inform Kimseng what will be happening at that point.

## Departure back to Cambodia...

As mentioned before, we need to have 100% of our ministry monthly budget raised before returning to Cambodia. Currently, we are praying to have funds pledged (\$1380.43) by the first week of December so that we can make a decision on whether or not to use our current plane tickets (departing December 30<sup>th</sup>) for Cambodia, or to postpone for another month. Lord willing, we are praying to have all monthly pledges in by the first week of December. Please join with us in prayer. If you have expressed a desire to partner with us, please forward your response to Pioneers Canada or Pioneers USA this week. **(Canada): Pioneers**, 51 Byron Ave. Dorchester, ON N0L 1G2 (519) 268-8778 website: [www.pioneers.ca](http://www.pioneers.ca) **(US): Pioneers**, 10123 William Carey Dr. Orlando FL 32832 (407) 382-6000 website: [www.pioneers.org](http://www.pioneers.org). Thanks and blessings to everyone for your partnerships.

## Final thoughts...

As we are preparing things for the future we seek your prayer support most of all. We pray that we will finish well everything that God has for us while we are in Canada: for us to be focused on God's plans and not ours. While we prepare for the Christmas Season, may strong connections be made between the girls and their grandparents, their Aunt and Uncle, and their cousins. We pray for a strong connection between us and our home sending church as well as other supporting churches and groups. In addition, as December comes upon us, we pray that our special days would be very special indeed. Nary is turning 30 years old on December 1st, and Matthew will be turning 32 on December 10th. This will be Rebekah's first Christmas and possibly our last Christmas in Canada for another 3 years. May the true meaning of Christmas be preached and spread this holiday season, that the reason for the season is the birth of our Lord and Saviour, Jesus Christ, more than 2000 years ago. As Miriam says, "Happy Birthday, Jesus."

We do not wish to bother anyone so, if you are receiving emails or postal mail from us and do not wish to anymore, please contact us to be removed from all lists. The purpose of our corresponding is for personal and Ministry Prayer support as well as for financial support towards the Cambodian Ministry God has called us to.
