Thanks for your Partnership in Ministry

2 Corinthians 9:6-14 reads, *Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work. As it is written: "He has scattered abroad his gifts to the poor; his righteousness endures forever." Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God. Because of the service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you.*

We want to take this time to thank you to all our monthly and one time financial partners. Your gifts have enabled us to serve these past two years in Phnom Penh and will help us serve with an amazing ministry at Mercy Medical Center on the PI Maytaa CP Team.

It is only 2 months before we anticipate our return to Cambodia. We have booked our tickets for December 30th and we eagerly await or return to our mission's field. We are thankful that our personal support has been raised but we need to see our monthly ministry funds be pledged by the beginning of December so that we can make a decision to use our current tickets or postpone them.

We have over 550 people that receive our newsletter, updates and petition God through prayer on our behalf. This support comes in from numerous countries and across all age brackets. It is this massive support network that help keep us motivated in serving God. If you want to continue to see, hear and experience second hand how God is moving in Cambodia then we need your support more than ever. And with just a large support base it only takes small individual changes to make a huge difference.

A \$10 monthly increase to your support will not only meet our anticipated ministry needs but have extra money available to be used as God moves at Mercy Medical Centre.

Think about, pray about and if you are willing and able then commit to join us further as we head back to Cambodia to serve our Lord God and Saviour.
