Kids Finding A Place In Canada

MIRIAM'S FIRST DAY AT SCHOOL

Canada—well what can be said. We have been back in Canada for almost 8 weeks. It has been a great time of reconnecting with family and friends. One of our biggest prayer requests coming here was for Miriam: that she would transition well into the school system here in Canada after being in the Cambodian school system. Miriam has just completed her 4th week of school and is doing well. Miriam is attending Cornerstone Christian Academy in Napanee. Matthew has been serving there, along side another parent on Friday's to help serve hot lunches to all the students. It has been cool to be part of Miriam's schooling in this way. A really cool story that happened the other week was, Matthew was coming out of the school after serving and the students were on their lunch recess. Miriam was in a circle with 7 other students, of all ages. They were all playing together and singing worship songs on the playground. They have accepted Miriam like she is one of their sisters. It has been a blessing and we are thankful to God for this answer to prayer. Please check out the school's website at www.cca-napanee.ca and pray for their ministry. For Rachel she has been doing well at home learning Khmer (Cambodian Language) with Mommy. Also during this coming month Miriam will start with Nary learning her grade one Khmer studies so that when we return to Cambodia, Miriam will fit back into the Cambodian School System.

Partnership Raising

Over the past 8 weeks we have been on the road, pretty much since the day we arrived back in Canada. We have been sharing about our time in Cambodia, serving at Mercy Medical Center, at several churches around Ontario. For the next 4 weeks we will be focusing on having some family time with the newest member of our family. Our first speaking engagement will begin again on October 24. Here is a quick schedule on where we will be over the next 3 months: October 24 – Cornerstone Wesleyan, October 31 – Cambodian Montreal Church and Met Church in Evening, November 3-7 – The Met Mission Conference, November 14 – Roblin Wesleyan for Mission Conference, November 21 – Lanark Baptist Church, November 28 – Parkdale Baptist Church(45 mins sharing), December 5 – Almonte Reformed Presbyterian Church, December 12 –Cambodian Church in Ottawa and Met Church in Evening, December 19 –Parkdale (Outreach Dinner). As October is now upon us, we are seeking and trusting God to increase our monthly ministry budget. For us to return to Cambodia, using our December 30th tickets, we need our monthly ministry support (\$2024.00) to come in through Pioneers by December 10th so that we can make a decision on when to return to Cambodia. Please pray with us and consider partnering with us giving monthly financial support. Monthly partnerships enables us to serve the Cambodians through the PI Maytaa CP Team at Mercy Medical Center. Please forward your financial forms to Pioneers Canada. We praise God for all He's done and is going to do! Thank you in advance for yours and partnership.

Arrival of Baby

Exciting news. **Saturday, October 2, 2010 at 8:00 a.m.** Nary is scheduled for her C-section at Belleville General Hospital. Please lift up Nary and the baby up in prayer this coming Saturday. Miriam and Rachel will be staying with the grandparents while we are in the Hospital. We are guessing we will be in the Hospital for at least 3 or 4 days. Over the next few weeks we will not be travelling but will be staying close to home. If you are in the area and able to come over for a visit, please give us a call at 613 396 1385 and we can arrange a time to get together and introduce our newest blessing to you.

Pil Kimseng

Many have been asking what has happened with Pil Kimseng. Thanks to a couple of sponsors from Canada he has had the opportunity to receive Dialysis treatment twice a week for the past 9 weeks. Because of this treatment he is still alive and feeling much better. Due to Dialysis costing \$50.00 per treatment, and Kimseng receiving two treatments per week. The gifts that have been given have been used already. We are thankful for the donation that has been given this past weekend at the local church we shared it but at this point we are praying for the Lord's provisions so that dialysis

treatments may continue for a little while longer. Kimseng and his wife are expecting their third child in a couple of weeks. Please continue to lift this family up in your prayers. I know they have been so thankful for all the support that has been given to them from Canada.

Update on Building Project of New Clinic.

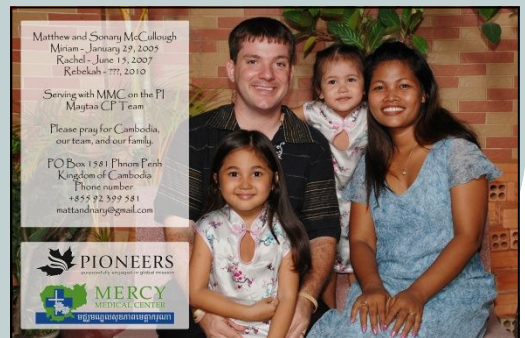

Mercy Medical Center's building project has moved along. We are in exciting times. Through the donations and pledges over \$500,000.00 has already been received. As you can see below the roof is being raised. Another \$700,000.00 is needed to complete the \$1.2 million campaign. Included in the \$1.2 is the Remodelling of the Hallelujah clinic - which is already completed. Building of the main medical center - half way completed. Building of the dormitory to house some of the staff, students and short term teams (housing of the short term teams will bring in some money to help with sustainability). Equipment for the medical center. Endowment (money put aside to help with operating costs). We are so thankful to all the donors that God has allowed to partner with MMC at this time.

Christian Horizons

Upon arrival back in Canada, Matthew was in touch with Christian Horizons, his old work place. One of the requirements that was requested for Matthew before returning to Cambodia was to update his first aid and CPR training which had become out-of-date. Well, Matthew was talking to his old boss, he explained that Matthew had been put on a Leave of Absence and was still an employee, and they would help cover some of the First Aid/CPR costs. Also, Matthew can take extra relief shifts that will help cover gas expenses while in Canada. We are so thankful to God for providing for us in this way, as well as the opportunity to serve these individuals in CH.
